Welcome to the Inaugural Steel City Fall Finale!

Pittsburgh holds a special place in our hearts. It's where UnitedGoals USA got its start with the inaugural 7v7 Colonial Classic in 2023, and where we've built some of our most meaningful relationships with coaches, players, and families.

We're thrilled to welcome **128 teams from Pennsylvania, New York, Ohio, and West Virginia** to Cranberry Township for our largest tournament yet. With top programs from Western Pennsylvania and beyond, the incredible support we've received gives us tremendous optimism for the future of this event.

We saw an opportunity to bring more tournament competition to Western Pennsylvania beyond traditional league play. With **over 240 teams competing across three regional events this year**, we're proud to create more opportunities for teams of all levels.

We're especially grateful for **Seneca Valley Soccer Association** and its volunteers for helping make this weekend possible, and to **Experience Butler County** for supporting our championship trophies and showcasing the region beyond the soccer fields.

Looking ahead, we're excited to return in 2027 for the **2nd Annual 4v4 Pittsburgh Preseason Cup (March 20), 5th Annual 7v7 Colonial Classic (August 7–8), and 2nd Annual Steel City Fall Finale (November 13–14),** with potentially more to come.

Thank you for being part of the inaugural Steel City Fall Finale. Our entire team is honored to welcome you, and we can't wait to create an unforgettable weekend of soccer together.

Let's continue Building American Soccer Together—one tournament at a time.

With Gratitude,

Colin Gorini
Founder | UnitedGoals USA
